Hi-GainN™ Wireless N

HWUN2

Hi-Gain™ Wireless-150N USB Adapter

with Upgradable Antennas

PACKAGE CONTENTS:

- One Wireless-150N USB Adapter
- One Laptop clip
- One USB Cable
- Two Removable 2dBi Dipole Antennas
- Quick Installation Guide
- One CD (Includes Software & Manual)

Connect Your Laptop or Desktop to Your Home Wireless Network and Internet at a blazing speed of up to 150Mbps!

The Hawking Hi-Gain Wireless-150N USB Adapter Extends Your Wireless Network 3 times and boosts your data throughput 6 times! It is capable of transfering data at up to 150Mbps. The Wireless-150N USB Adapter is engineered with high grade material ensuring maximum quality and performance. Furthermore, it is backward compatible with Wireless 802.11b and 802.11g and will operate on the highest throughput that your network allows.

Installation of the Wireless-150N Adapter is simple and straight forward - run the setup CD and connect the Wireless-150N USB Adapter to your notebook or desktop through an available USB port. The Adapter is designed with two removable antennas, enabling quick and easy upgrade to Hi-Gain Indoor/Outdoor Antennas to achieve the Maximum Wireless Range and Performance that you need. The Hi-Gain Wireless-150N Adapter works great with other brands of Wireless -150N networking equipment.

Features

- Extends Network Coverage 3x using MIMO technology
- Boosts Data Throughput 6x for faster uploads and downloads.
- Excellent Solution for Media-Intensive Activities with up to 150Mbps Data Transfer Rate
- Supports WEP, WPA (PSK, TKIP), and WPA2 (AES) Security Encryption for the highest level of security
- Includes an Adapter Clip for Laptop Users - maximizes wireless coverage and mobility
- Setup is quick and simple
- Compact Size - convenient for traveling

System Requirements:

- Windows 2000/XP/Vista
- One Available USB Port
- One Available CD-ROM/DVD Drive
- Wireless 802.11 b/g/n* Network (i.e. Access Point or Wireless Device)

Hi-GainN™
Wireless N

SPECIFICATIONS

Network Specifications:

- Windows 2000/XP/Vista
- IEEE 802.11 b/g/n
- Security: WEP 64, 128, 152bit WPA (PSK, TKIP), WPA2 (AES)

Electrical Properties

- Frequency: 2.4~2.4835 Ghz
- Operating Voltage: 5V
- LED indicator: Solid Green & blinking mode

Mechanical Properties

- Connector: USB 2.0/1.1

Material Properties

- Color: White
- Dimensions (LxWxH) 2.71 x 2.02 in x 0.62 in
- Weight: 2.0 oz

Warranty

- 1 year
